Acknowledgment of Program Requirements

Dear Parent or Guardian:

Thank you for enrolling your child in our adaptive religious education program. One-on-one catechesis is a team effort and as such requires a commitment from all team members—families, catechists, directors, and pastor alike. Please review the requirements below for participation in the program, and acknowledge your agreement by signing and dating the form in the spaces indicated. If special circumstances preclude your full participation, please note them on the lines provided.

Thank you.

I/we understand that the family is the most powerful influence in the faith formation of a child. As the parent(s)/guardian(s) of _____, we agree to

- accompany the child to each session, or have a family representative accompany the child.
- meet with the catechist or other staff member after each session.
- reinforce lesson content at home during the week, carefully considering catechist instructions.
- promote an active faith life at home, including regular Mass attendance.
- maintain communication with other members of child's catechetical team.
- follow diocesan guidelines and requirements for child protection.
- participate in the parent group during session meetings if not participating in the direct instruction of the child.
