Placing a Child: Questions for Parent Interview

The following questions will help determine which level of the *Adaptive Finding God Program* is better suited for a particular child. Before you begin the conversation, assure parents that your main goal is to provide the most appropriate environment possible for their child and that their responses will be held in confidence.

1. What is your child's age? Does he or she have siblings? _____

2. What types of activities and experiences does your child enjoy? _____

3. What types of activities and experiences does your child dislike? _____

4. What is he or she most curious about or interested in? _____

5. What are his or her special gifts and talents? _____

6. What diagnoses has your child received? _____

7. What therapies or treatments has he or she received? _____
